Ride on, yeah yeah

It's another lonely evenin' In another lonely town But I ain't too young to worry And I ain't too old to cry When a woman gets me down Got another empty bottle And another empty bed Ain't too young to admit it And I'm not too old to lie I'm just another empty head That's why I'm lonely I'm so lonely But I know what I'm gonna do I'm gonna ride on Ride on Ride on, standing on the edge of the road Ride on, thumb in the air Ride on, one of these days I'm gonna Ride on, change my evil ways Till then I'll just keep ridin' on Broke another promise And I broke another heart But I ain't too young to realize That I ain't too old to try Try to get back to the start And it's another redlight nightmare Another redlight street And I ain't too old to hurry Cause I ain't too old to die But I sure am hard to beat But I'm lonely Lord I'm lonely What am I gonna do Ride on Ride on, got myself a one-way ticket Ride on, going the wrong way Ride on, gonna change my evil ways Ride on, one of these days One of these days Ride on Ride on I'm gonna ride on Ride on, looking for a truck Ride on, hmmmm Ride on, keep on riding Riding on and on and on and on and on and on and on Ride on, gonna have myself a good time Ride on, ohh yeah

Ride on, one of these days Ride on, one of these days
