

## Riff Raff

AC/DC

Ya see it on television every day  
Hear it on the radio  
It ain't humid but it sure is hot  
Down in Mexico  
Boss man tryin' to tell me  
Beginnin' of the end  
Sayin' it'll bend me  
Too late my friend

Riff raff  
It's good for a laugh  
Riff raff  
Go on and laugh yourself in half

Now I'm the kinda guy that keeps his big mouth shut  
It don't bother me  
Somebody kickin' me when I'm up  
Leave me in misery  
I never shot nobody  
Don't ever carry a gun  
I ain't done nothin' wrong  
I'm just havin' fun

Riff raff  
It's good for a laugh  
Riff raff  
Go on and laugh yourself in half
