

# Rock 'n' Roll Damnation

AC/DC

They say that you play too loud  
Well baby that's tough  
They say that you got too much  
Can't get enough  
They tell you that you look a fool  
Baby I'm a fool for you  
They say that your mind's diseased, shaky stuff  
It's a rock 'n' roll damnation  
Ma's own whippin' boy  
Rock 'n' roll damnation  
Take a chance while you still got the choice

You say that you want respect  
Honey for what  
For everything that you done for me  
Thanks a lot  
Get up off your bended knees  
You can set your mind at ease  
My temperature's runnin' hot  
I been waitin' all night  
For a bite of what you got

It's a rock 'n' roll damnation  
Ma's own whippin' boy  
Rock 'n' roll damnation  
Take a chance while you still got the choice

It's a hard life

Damnation, they're putting you down  
Damnation, all over town  
Damnation, Cause you're way outta reach  
Living on the street you gotta practice what you preach  
An it's a rock 'n' roll damnation  
Ma's own whippin' boy  
Rock 'n' roll damnation  
Take a chance while you still got the choice

Damnation, you left a happy home  
Damnation, To live on your own  
Damnation, You wanna live in sin  
It's a rock 'n' roll  
Damnation, Just a bundle of joy  
Damnation, you're a toy for a boy  
Damnation, you got the dollars in your eye  
Always chasin' that pie in the sky  
Rock 'n' roll damnation
