Shot of Love

Come on honey take a trip with me We'll take a double shot of ecstasy An' drink some water from a wooden cup Then keep on rockin' 'til the sun comes up. And I warn you it's the best shot of your life And I warn you it's the best shot of your life Shot of love, shot of love

Rock you little lady make you blow and bleed A little bit of what you need is guaranteed Come on now honey we'll get full of desire A humpin' an' a pumpin' 'til we start a fire And I warn you it's the best shot of your life And I warn you it's the best shot of your life Shot of love, shot of love, shot of love

And I warn you it's the best shot of your life And I warn you it's the best shot of your life Shot of love, shot of love, shot of love

Make you bleed Shot of love, shot of love ,shot of love A humpin' an' a pumpin' I gotta get me shot of love Shot of love, shot of love, shot of love Babe babe, a lot of what you need is guaranteed Shot of love, shot of love, shot of love

Come on give me shot of love
