

# Up to My Neck in You

AC/DC

Well I been up to my neck in trouble  
Up to my neck in strife  
Up to my neck in misery  
For most of my life  
I've been a fool  
And you know what a fool can do  
I'm telling you  
You come along when I needed you  
Now I'm up  
I'm up to my neck in you

And I been up to my neck in pleasure  
Up to my neck in pain  
I been up to my neck on the railroad track  
Waitin' for the train  
To cruise on through  
I figured my time was due  
It's way over due  
You come along and you pulled me through  
Now I'm up  
Up to my neck in you  
Don't it feel good

I been up to my neck in whiskey  
I been up to my neck in wine  
I been up to my neck in wishin'  
That this neck wasn't mine  
I'm a loser  
That ain't lost it  
Baby you were to good  
To good to be true  
What you done no one else could do  
Now I'm up  
I'm up to my neck in you  
It feels good  
You come along when I needed you  
I'm up to my neck in you
