

# Dust In The Wind

Acappella

Oh oh oh oh  
Hey yeah yeah  
All we are is dust in the wind  
Oh oh oh

I close my eyes, only for a moment and the moment's gone  
All my dreams (all my dreams)  
Pass before my eyes (pass before my eyes)  
A curiosity (that we are)

Chorus 1:

Dust in the wind, all they are is dust in the wind (all we are is dust)

Repeat Chorus 1

It's the same old song (same old song)  
Just a drop of water in an endless sea (drip, drop, same old song)  
All we do (all we do) crumbles to the ground, though we refuse to see (crumbles down)

Chorus 2:

That we are dust...dust in the wind (dust in the wind)  
All we are is dust in the wind (all we are is dust)  
All we are (dust in the wind) dust in the wind (all we are is dust, dust in the wind)

Rap:

Need to wake up  
Surprise, the lies, deceive my eyes  
And even now another baby in a barren land cries,  
Are we too thick to realize?  
That nobody ever knows when you could vaporize  
Still we sit and fantasize  
The TV and the radio demoralize  
We need to look up to the skies  
Don't allow the very hearts of man to crystallize (all we are is dust)  
Turn off that big screen TV  
Stop trying to take it easy  
Get off your couch, open up your mouth (oh my Lord)  
And spread the word universally

So don't hang on (don't you hang on)  
Nothing lasts forever, not the earth or sky (nothin' lasts forever)  
It's all gonna slip away (slips away)  
And not even your money (your money) another minute buy (time keeps on tick tock tickin')

Chorus 3:

Dust in the wind (all we are is dust)  
All they are is dust (all we are is dust)  
Dust in the wind, ohhhhhhh (all we are is dust)

Dust in the wind  
We need to end our fussing and fighting  
To take some time for reuniting  
All we are is dust  
All we are is dust, dust in the wind
