

# Good Livin

## Acappella

Come on y'all and gather around  
That is why we've come to this town  
There is nothing better to do  
So we're gonna cut loose and sing for you

[CHORUS:]

We're gonna harmonize and we're gonna shout  
We're gonna tell you what good livin's about  
I don't know about anyone else  
But I've gotta cut loose and sing myself

Come on y'all and grab you a part  
There's no better way for us to start  
We'll sing 'en fast and we'll sing 'en slow  
So get off your sear and just let go

[CHORUS]

We're gonna sing We're gonna sing (Repeat 4x)  
We're gonna harmonize and shout  
Gonna tell you what good livin's about  
We're gonna sing, we're gonna shout  
We're gonna sing, Let's sing  
Gonna Sing Let's sing Yea!
