

# Medley

## Acappella

[CHORUS:]

Oh, Jesus (he gave her water) he gave her water (he gave her water)  
You know, my Jesus (he gave her water) gave her water (he gave her water)  
Oh, Jesus, (he gave her water) gave her water (he gave her water)  
And it was not from the well

[CHORUS]

Well there was a woman from Samaria  
Who came from the well to get some water  
And there she met a stranger  
And he did her story tell  
She left my savior singing  
She came back to him bringing  
The time she had living water  
And it was not from the well

[CHORUS]

["More Than A Friend" Lead: Gary Moyers]

[Intro:]

More than a friend (well, he's more than a friend)  
More than a friend (well, he's more than a friend)  
More than a friend (he's more than a friend)  
More than a friend

Well, he's more than a friend  
More than a friend  
Yes, he's more than a friend to me ('cause he gave up his life)  
'Cause he gave up his life (and at oh)  
And at oh such a price  
And he's more than a friend to me

People keep on searchin' for that perfect friend (perfect friend)  
Who'll they'll trust with their compassion and their confidence  
'Cause they need someone to love them in the deepest way (the deepest way)  
Hear what I'm about to say

He was willing to give his life, ultimate sacrifice  
He was God made flesh and put to death for me  
Now you know it's easy to see

That he's more than a friend  
More than a friend  
Yes, he's more than a friend to me  
'Cause he gave up his life  
And at oh such a price  
And he's more than a friend  
More than a friend  
More than a friend to me (more than a friend)

["His Righteousness" Lead: Ken McAlpin]

God made him who had no sin  
So that we might become his righteousness

Well, instead of ourselves he offered him so  
So that we might become his righteousness  
So that (so that we might become his righteousness)  
So that (so that we might become his righteousness)

Whoa-oh, holy God was offered for us  
So that (so that we might become his righteousness)  
So that we might become (so that we might become his righteousness)

["Lead Me To Rest" Lead: Barry Wilson]

Lead me to rest, sweet Lord  
Lead me to rest  
From my journey here, lead me to rest  
The relief I've found  
From the burdens that've weighed me down  
Lead me to rest  
Lead me to rest  
Lead me to rest  
Lead me (lead me to rest)  
Lead me to rest, oh Lord

[Outro x4:]

Oh, Lord, won't you lead me (won't you lead me)  
Lead me to rest (won't you lead me, won't you lead me to rest)

["Rescue" Lead: Barry Wilson]

[CHORUS]

Rescue, rescue  
Rescue, rescue

Lord, you know everything I've done  
Every thought I've had, you know every one  
And Lord, you know every time I fall  
Still you come to my rescue when I call

And Lord, you hear every idle word  
Every thoughtless deed  
How it seems absurd  
That, Lord, you give, not what I am due  
But mercy, mercy, aw, mercy  
You come to my rescue

You come to my rescue (rescue)  
You come to my rescue (rescue)  
Thank you, Father (rescue)  
For comin' to my rescue (rescue)  
You come to my rescue, yes (rescue, rescue)  
Thank you, Lord (rescue)  
For comin' to my rescue (rescue)

["We Have Seen His Glory" Lead: Barry Wilson]

We have seen his glory  
Oh, what an awesome power from above  
We have seen his glory  
Yeah, Jesus (we have seen his glory) the one (the one and only son)  
The one and only son

We have seen his glory  
We have seen his glory

We have seen how he works in our lives today  
We have seen his glory  
The one (the one and only son)  
The one and only son

["I Have A Friend" Lead: Barry Wilson]

I have a friend (I have a friend, I have a friend)  
Who went to Calvary, to Calvary  
He said I'll die (die, die)  
But I'll sho 'nuff rise again  
Again

I have a friend  
They call him Jesus  
I have a friend  
The angels praise his name (praise his name)  
The angels praise his name (praise his name)  
The angels praise his name (praise his name)  
Well, all right, come on and praise him, uh-huh

["Criminal On the Cross" Lead: Barry Wilson]

Well, it was many years ago, in the time of the Bible  
That they took him up to Calvary (up to Calvary)  
They should have let him go, but instead they chose Barrabas  
Just to set another criminal free (just to set him free)  
When they crucified the ever-lovin' carin' Master  
With compassion flowing from His eyes  
Well, He said to a thief who was begging Him for mercy  
That "Today you'll live in Paradise."

Hmm, I'm saved (I'm saved, I'm saved) like the criminal on the cross  
Praise God, I'm saved, yes, (I'm saved, I'm saved) no more to suffer loss  
Well, he said I'd live in Paradise  
And He's taken care of the cost  
Hallelujah, I'm saved (I'm saved, I'm saved) like the criminal on the cross  
I'm saved (I'm saved, I'm saved) like the criminal on the cross

["Let's Get Together" Lead: Gary Moyers]

Well, it's time we stopped the fighting and start giving our love to each other  
her  
(give it to them, give it to them, we've got to learn to love them)  
Oh, don't you know that they're never gonna see  
How we're lovin' our Lord unless we're givin' our love to each other  
(let's give them our love)

Let's get together  
Let's stop the fighting  
Let's start uniting  
Whoa-whoa-oh

[Repeat 5 times]
