

I'm a Rebel

Accept

They say I won't make it to the top of the hill
Won't take the fruit off the tree
And everybody says I'm out for the kill
They're all laughing at me
They're all laughing at me

I'm a rebel, rebel, don't you just know it
I'm a rebel, rebel
And they're all laughing at me

They say I'm a danger to the public and all
I only wish they would see
I'm just the product of a screwed up world
But they're all, they're all laughing at me
But they're all laughing at me

I'm a rebel, rebel, don't you just know it
I'm a rebel, rebel, don't you just know it
I'm a rebel, rebel
But they're all laughing at me

Never ever wash my old blue jeans
And brush the smile off my face
But still I'm a member of the
Human race, human race, human race, human race

I'm a rebel, rebel, don't you just know it
I'm a rebel, rebel, don't you just know it
I'm a rebel, rebel, don't you just know it
I'm a rebel, rebel, don't you just know, know, know

I'm a rebel, rebel, don't you just know it
I'm a rebel, rebel, don't you just know it
(Don't you know)
I'm a rebel, rebel, don't you just know it
I'm a rebel, rebel
And they're all laughing at me
Don't you know
I'm a rebel, come on

I'm a rebel, rebel, don't you just know it
(Don't you know)
I'm a rebel, rebel, don't you just know it
I'm a rebel, rebel, don't you just know it
(I'm a rebel)
I'm a rebel, rebel
Don't you know
You know
