

## Kill the Pain

Accept

A shadow in an empty doorway...  
Call your name but no reply  
I still see your face... but there's no trace  
Photographs... no good bye  
Seems like I must dreaming...  
but it's all here in black and white

A hollow, lost and empty feeling  
They say all wounds are healed in time  
But I feel worn... and somehow unborn  
Every day's an uphill climb  
Hanging on just for tomorrow...  
but I find it hard to see the light  
I'm just looking for something...  
to kill the pain tonight

Yeah we're all looking for something...  
to kill the pain tonight  
C'mon, we're all looking for something...  
to kill the pain tonight
