Shadow Soldiers

Accept

So cold and lonely it seems so long since someone was here Following the shadows, with the sun till it disappears Thousands of stone white crosses, a formation for all to see With flags and flames, the ranks and the names of those who die d to be free

The fire remains in our hearts all of our dreams made new Etched in the flames of freedom, we're living on thru you

We're the Shadow Soldiers, laid to rest standing tall Shadow Soldiers, in freedom you live That's why we've given it all

Taken too soon from the lives we loved a misery I can not expla in Only when we feel your presence are we sure we did not die in v ein

The fire remains in our hearts all of our dreams made new Etched in the flames of freedom, are these words, oh so true We're living on thru you

We're the Shadow Soldiers, laid to rest standing tall Shadow Soldiers, in freedom you live That's why we've given it all

The fire remains in our hearts all of our dreams made new Etched in the flames of freedom, we're living on thru you

We're the Shadow Soldiers, laid to rest standing tall Shadow Soldiers, in freedom you live That's why we've given it all

Shallow Soldiers, laid to rest standing tall Shadow Soldiers, in freedom you live That's why we've given it all
