

# Turn the Wheel

Accept

Yeah - watch out!

She got loads o'money  
A sugar daddy's car  
Diamonds galore money she can burn  
I think you know what I mean

Her eyes look from the window  
What's it gonna come down to  
In the hush of the night sugar daddy's don't know  
Even though she tried to play the discreet

I've been yearnin' - I'm down on my bended knees  
Wheels are turning - the night time favors me  
It makes me feel alright - yeah

Turn the wheel around - everybody shout  
Turn the wheel around - everybody shout  
Everybody shout out

If it's love that you need from a stranger  
Turn around girl I got a word for you  
And you know It don't matter what you contain  
No it don't matter don't remember your name, no

Hey - hey - hey - hey - hey  
I know you like it but I'm too blind to see  
Hey - hey - hey - hey - hey  
I gotta know - I gotta know if I pass the test

Turn the wheel around - everybody shout  
Turn the wheel around - everybody shout  
Turn the wheel around - everybody shout  
Turn the wheel around - everybody shout - everybody

You know what's gotta be turned around, babe  
So take a hold of that wheel - get it on back, babe  
You gotta fantasy

I've been yearnin' - to put me down on my bended knees  
Keep on turnin' - I never ever knew  
I never knew if I passed the test

Turn the wheel around - everybody shout  
Turn the wheel around - everybody shout out  
Turn the wheel around - everybody shout - everybody shout out  
Turn the wheel around - everybody shout

You know that's it - c'mon give it to me  
Now you're speakin' the language - babe, give it to me  
Did you hear what I say, yeah  
Everybody shout out - everybody shout

Turn the wheel around - everybody shout  
Turn the wheel around - everybody shout  
Turn the wheel around - everybody shout  
Turn the wheel around - everybody shout

Turn the wheel around,...
