

So Contagious

Acceptance

Oh no, this couldn't be more unexpected
And I can tell that I've been moving in so slow
Don't let it throw you off too far
Cause I'll be running right behind you

Could this be out of line? (Could this be out of line?)
To say you're the only one breaking me down like this
You're the only one I would take a shot on
Keep me hanging on so contagiously

Oohhh, when I'm around you I'm predictable
Cause I believe in loving you with first sight
I know it's crazy but I'm hoping to..
To take a hold of you

Could this be out of line? (Could this be out of line?)
To say you're the only one breaking me down like this
You're the only one I would take a shot on
Keep me hanging on so contagiously

Oh you're everything I'm wanting
Come to think of it, I'm aching
On account of my transgression..
Will you welcome this confession?

Could this be out of line? (Could this be out of line?)
To say you're the only one breaking me down like this
You're the only one I would take a shot on
Keep me hanging on so contagiously

Could this be out of line? (Could this be out of line?)
To say you're the only one breaking me down like this
You're the only one I would take a shot on
Keep me hanging on so contagiously
