

## Ozone

Ace Frehley

I'm the kind of guy who likes feelin' high  
Feelin' high and dry and I really like to fly  
I'm your kinda guy, girl, I'm not too shy  
And I want you to fly, so, I think you oughta try

Ozone, ozone, ozone, ozone

I'm your kinda guy and I'm not too shy  
Feelin' high and dry and I want you to be mine  
So, I think it's time, girl, to start feeling fine  
Feeling good all the time, so, I think you oughta try

Ozone, ozone, ozone, ozone

Now, I'm the kinda guy who likes getting high  
Getting high and dry and I do it all the time  
If you think it's a crime and you don't wanna try  
Something that'll make you high, then I think I'll say goodbye

'Cos I'm the kind of guy who likes getting high  
Getting high and dry and I do it all the time  
Now, I'm much too high, I am high and dry  
And I'm feelin' fine, I'm feelin' good all of the time
