Wiped Out! I went to a party, just so smartly, cool as cool could be I knew I could make it, knew I could shake it, lose some fancy free So I went to the table and reached for a bottle And poured me a glass of wine Took a few sips and looked around, I was feelin' fine But an hour along, comin' on strong, I was gettin' drunk The next thing I knew I looked at you, I was blind as a skunk, I was I was wiped out, I had my lights out Was fallin' right out, 'cos I was wiped out Through the smoke-filled room I caught your eye And I think that you caught mine And I knew in a minute or maybe less, it was just a matter of t ime Then you started to move with such a groove, stronger than snea kin' slow Then you looked at me with your big blue eyes, they had such a glow Then I took your hand and tried to stand and ended up sittin' b ack down Then you smiled at me and gave me a wink, how quick I lost my f rown, I was I was wiped out, I had my lights out Was fallin' right out, 'cos I was wiped out So I looked at you and then I knew that we were gonna have some fun So I thought to myself, wine was out, we should switch to rum So without a word, and like some bird, we flew to another place And pretty soon we were in some room stretched miles out in spa се The room was turnin', we were burnin', things became a haze It seemed that already I had too many, firewater caused the bla ze, I was I was wiped out, I had my lights out Was fallin' right out, 'cos I was wiped out
