

## Bedroom Music

Ace Hood

Ok Bedroom  
No panties on  
You fuckin right  
That's what I like  
Let me stroke your body, put you on top of that dresser mami  
Tryna dig into your treasure  
So deep you can never find me  
Grey goose with a lil em trees  
Lets have a pussy party  
Let me get this party started  
I know you oh so horny  
I know you want me baby  
I know you need me baby  
I can tell you feenin crazy  
By the way your body shakin  
Tattoos all over your ass  
Damn right that's gutta lady  
Ima put that ass to sleep  
Cuz I got that tranquilizer  
Your legs together  
Please divide them  
Its been decided  
Let me inside it

Cant live without you  
Now you know what I mean by that?  
What you mean hood  
You see them pretty lips  
Seperate them from  
Play with that lil pussy  
See I might use that you know that ice if um if necessary  
Oh yeah  
I cut my phone off so my homies couldn't get to me

Ok  
Round 2  
Down you  
Them back shots  
I pound you  
Now gonna throw that ass back  
Ima give it to you so nasty  
Smack smack  
Back back  
Damn that ass fat  
Gutta  
I came back  
Still in motion  
Our body heat  
Is hella smokin  
Let me put my tounge between it  
Na I'm jokin  
But I really really was hopin  
Wanna get into that ocean  
Feelin like world war  
My explosion  
So open wide  
No time for chokin

No time for chokin  
Suck it right  
No time for chokin  
Ahhhhhhh

Cant live without you  
And I told her  
Ima make you cum all night (yes)  
And if you think I'm playin  
I got on that barry white  
See when I put this into you so deep (swear to god)  
You gonna tell all your friend

Pussy money weed  
That's all we need  
Your body and mine  
Combined that's all I feen  
And I'm gettin into it  
Tryna maneuver while your fluid drippin  
I puts in work  
Strictly business  
I'm nasty ain't it  
I'm nasty ain't it  
Wait your pussy sayin

Cant live without you  
That was amazing  
I appreciate you for takin this journey with me  
Cant nobody do it like mr. hood do it huh  
Nice tour of your body (ya feel me)  
I bet the neighbors know my name  
I bet your bestfriends wonderin where you been  
Call me when you wake up  
Ill see you next time
