Ace Hood

I just got back from Jamaica, Jamaica  
Just smoked a pound of that Jamaica, Jamaica  
I'm on the move, now see you later, later  
Just smoked a pound of that Jamaica, Jamaica  
You pussy niggas just some haters, some haters  
I need my dough, don't do no favors, no favors  
Just copped a crib that's on some acres, some acres  
I fucked yo bitch and now she famous, she famous  
Aye I just got back from Jamaica

I swear to God I woke up on the gully side  
And all they know is motherfuckin homicide  
Murda, just keep the burna  
A couple keys will get you shot,  
Watch who you servin, watch who you servin,  
Police lurkin, oh yea they lurkin  
They seven deep in that excursion, in that excursion  
Keep 20 thousand in my pockets, that's in my pockets  
Ain't talkin money switch the topic, I switch the topic  
I pull up in that brand new Gatti, bitch I got it  
I fuck these niggas, word to Gotti, just catchin profit  
I know some youngins catchin bodies, they catchin bodies  
They 17 and got no daughters, ain't got no daughters  
Oh my goodness, Lord have mercy, Lord have mercy  
My Rollie cost a couple birdies, a couple birdies  
I want a billion fore I'm 40, before I'm 40  
They aks me do I smoke that killa? Know what I'm talkin?

A hunnit killas with me in Mavado nigga  
I'm king of the south and ain't got a lot of niggas  
Wake up, go get yo cake up  
I blew 100 racks in Jacob, that's only Jacob's  
Don't give a fuck, I do it major, I do it major  
These bitches watch me like I'm cable, just like I'm cable  
And fuck yo life, that shit's a fable, it's all a fable  
I show you millions on the table, that's on the table  
And can't no other nigga stop me, you'll never stop me  
I'm shittin on em, never sloppy, apologizing  
Aye check yo Twitter, guess who dreamin, bitch we the hottest,  
Bitch we the bidness and the realest, ain't nothing modest,  
I swear to God I tried to tell er  
We set the standards, we set the standards motherfucker  
Better learn some manners  
I'm getting head in that new Phantom, that's in a Phantom  
And Papi aks me do I got it, you know the answer
