

# Take Yo Bitch

Ace Hood

A true playa for real  
Man you heard about me

And I'm going on 3  
How I'm out my mind  
And this bitch so geekin  
Tryina tell yall niggas  
Don't let yo girl round me  
I'mma take yo girl  
I'mma fuck yo bitch  
I'mma take yo girl  
I wanna fuck that bitch  
I'mma take yo girl  
I'mma fuck yo bitch  
I'mma beat that up  
Give her all this big

Okay now bad lil bitch from the ATL  
And she got an ass like Kay Michelle  
Rule number one, no kiss n tell  
Her head no joke like Dave Chapelle  
I see I beat that pussy like a murder case  
She gon catch this white like Colgate  
Keep my hoes in line like Soul Train  
Every day a nigga ball, no role gain  
I say 20 bottles I'm flexin  
Diamonds and my Rolex's  
Where the bad bitches? Where the bad bitches?  
I'm just checkin  
Man I pop the moly, I'm sweatin  
Back to bitch now we textin  
Plenty more in my section  
I'm a young version Hugh Hefner  
I can't even feel my face  
I don't really need no more drink  
All these hoes, they comin with me  
All them niggas they can't believe  
I say I'm rollin, I'm rollin  
And this dope, I'm smoking potent  
I need you, you, you and her right there  
Back to the crib so we all can share

A true playa for real  
Man you heard about me  
I done pop 2 molys  
And I'm going on 3  
How I'm out my mind  
And this bitch so geekin  
Tryina tell yall niggas  
Don't let yo girl round me  
I'mma take yo girl  
I'mma fuck yo bitch  
I'mma take yo girl

Okay I'm killin these hoes like Ted Bundy  
Love a bad bitch, I'm a head junkee  
White tank top and some polo undees  
Tryina serve a freak with this chocolate Sunday  
Snatch your chick like a ally hoop  
Shots that will rock, I don't do the goose  
Put her in the coupe, I remove the roof  
Then slam-dunk that pussy like Ron do  
I say hold up doc I ain't feelin well  
My Rolex sick and my pockets earl'd  
Flowin off money, I'm sick as hell  
Bout 25k, that's life in jail  
Now when the bad hoes there put them ass shots  
Rep for a nigga, be the mascot  
KOD, I brung major cash  
And they waving at me like a can guy  
Say turned up nigga don't turn down  
Please don't bring your ho round, nah  
I don't wanna know her name  
Next thing you know we went 4 rounds  
I'm a wild young nigga, I admit that  
Who? That bitch? I'mma get that  
She's in love with my 6 pack  
And I ain't talkin no beer fat nigga

A true playa for real
