

# Why

Ace Hood

I wonder why  
And I wonder why  
Bad things happen to good people, you know?  
I mean we all gotta die I guess, huh?  
Eh

Uh, I wonder why these niggas hatin on me  
Proibly the reason most them bitches waitin on me  
Shit, they just tell me kill them with success my nigga  
Still wonderin why my daddy wasn't a father figure  
Just the thought of thinkin bout it makes me fuckin mad  
Did my mama proud and put her right into that ladies Jag  
She cried a hundred tears, I prayed a hundred times  
I wish my grandmother could see this with her own eyes  
I'm wonderin why God took her but I'm not one to question  
Conversation with my niggas on how we came from nothing  
I wonder why this world is crazy, babies having babies  
I wonder why these women shady screamin he should pay me  
Go to court and they get half, I think that shit is crazy  
Now you forced to give that crib and that new white Mercedes  
I'm wonderin why I love my niggas but I don't love these hoers  
I'm sittin behind closed doors but only Lord knows  
Truth told my savior is 7 0's  
But who knows? I'd rather die with a rich soul  
Wonder with Mick Romney ever felt neglected  
Since Obama's last election  
You might not like it but they will respect it  
Another fold just as we all expected..

I got many questions  
I wonder  
I wonder why 4-50 had that  
Take that trip to North Carolina  
I wonder would he still be here with me, you know?  
I miss my nigga anyway  
I wonder why

I wonder why the good die young  
I wonder why they hatin where I'm from  
I wonder why I never gave a fuck  
Made a couple mill but that shit ain't enough  
I wonder why these rappers tryina steal my style  
All these wannabes are like some circus clowns  
I wonder why I lost my daughter Lyric Star  
Why them complications happened to her heart  
Got so many questions, not too many answers  
Lost so many niggas, granny to the cancer  
I wonder why I got a crazy ass baby momma  
Every other day is like some kind of fuckin drama  
Wonder why these people out here sleepin on me  
I wonder why the money turnin people phony  
I done seen some niggas turn against they homies  
Funny when I was broke them bitches didn't know me  
Shit is fucked up, sister having tough luck  
Wonder why them pussy niggas mad 'cause I came up  
I just copped a new crib, Aston on the way ho  
Pocket full of pesos, made nigga - case closed

I wonder why these hoes love a nigga  
Prolly 'cause these diamonds make that pussy quiver  
I'm gon fuck her good and she gon cry a river  
Bad yella bitch and I'm in love wit er  
I wonder why, I wonder why  
As long as niggas hustle let's go multiply  
As long as niggas hustle let's go multiply

I wonder  
You know  
I don't understand how niggas can  
Chase women but not money  
I wonder, you know?  
Or  
How you can hate on another man  
Provide for his family  
Maybe it's just me  
I wonder though, you know?

Oh shit shit shit my bad  
I wasn't even payin attention  
Shit go ahead, one more time with that
