

## My Mind

Ace Of Base

Ace of Base is in your mind  
io! dance...

Everyone everywhere  
Everyone everywhere  
Ace of Base is in your mind

You're giving me hope  
I'm moving back in time  
You're giving me hope  
I'm moving back in time

Everyone everywhere  
Dance or fade out!

In my mind, in my mind, in my mind  
In my mind you live

You're giving me hope  
I'm moving back in time  
(I'm moving - I'm moving)
