

Tokyo Girl

Ace Of Base

Tokyo girl, Tokyo girl
You've got the moves to rule the world
That cute inscru-tability
Tokyo girl, you're a mystery

Tokyo girl, Tokyo girl
Shaking up hearts around the world
You can't forget that stunning face
Smiling at you it's your destiny

She's got the face sweet as a baby
Elegant taste and money to burn
Her "yes" is "no", "no" is a "maybe"
Her language is so hard to learn

Tokyo girl, Tokyo girl
You've got the moves to rule the world
That cute inscru-tability
Tokyo girl, you're a mystery

In Tokyo

Though there's a fire burns inside here
Outside is ivory, silk and ice
Nothing she wants is denied her
You'd better take my advice

Many has tried to get near her
Deep in the heart of Tokyo
Found nothing there but a mirror
She's no one you'll ever know

Tokyo girl, Tokyo girl
You've got the moves to rule the world
That cute inscru-tability
Tokyo girl, you're a mystery

In Tokyo

She's got the face sweet as a baby
Elegant taste and money to burn
Her "yes" is "no", "no" is a "maybe"
Her language is so hard to learn

Tokyo girl, Tokyo girl
You've got the moves to rule the world
That cute inscru-tability
Tokyo girl, you're a mystery

Tokyo girl, Tokyo girl
Shaking up hearts around the world
You can't forget that stunning face
Smiling at you it's your destiny

In Tokyo, sweet as a baby
In Tokyo, sweet as a baby
In Tokyo, sweet as a baby

Sweet as a baby
Sweet as a baby
Sweet as a baby
