## **Tokyo Girl**

## Ace Of Base

Tokyo girl, Tokyo girl You've got the moves to rule the world That cute inscru-tability Tokyo girl, you're a mystery

Tokyo girl, Tokyo girl Shaking up hearts around the world You can't forget that stunning face Smiling at you it's your destiny

She's got the face sweet as a baby Elegant taste and money to burn Her "yes" is "no", "no" is a "maybe" Her language is so hard to learn

Tokyo girl, Tokyo girl You've got the moves to rule the world That cute inscru-tability Tokyo girl, you're a mystery

Though there's a fire burns inside here Outside is ivory, silk and ice Nothing she wants is denied her You'd better take my advice

Many has tried to get near her Deep in the heart of Tokyo Found nothing there but a mirror She's no one you'll ever know
