

Denise

Ace Troubleshooter

Waiting for a sign that never came
Waiting, pinching nerves to stay sane
Can't erase the time, forget the past
Knowing good times come and go so fast

Denise it's not all set back in time
Denise just lay i down and you'll find
You've changed

Nowhere girl, a cage you've come to know
Still wondering, "Where did it all go?"
Plan a recluse life down to the day
While you have chains to lose
And a whole world to gain

Denise, Densie it's time
Time to seize the world
Denise it's time
Denise it's not all set down in stone
Denise just lay it down and you're home
You've changed
