Estella

Ace Troubleshooter

Estella steps in silence, her every movement caught, encased in gilded memory.

Here is comes again, anticipation racing through me, thrilling with enotion you still me.

Estella, estella you, you're missing all you see, i'm missing y ou.

Estella, estella you dream, you're missing all you see, i'm mis sing you.

Estella moves in shadows, her every whisper caught, exhale and draw it in again.

When everything gets lost in the twilight i'll be waiting, you keep me guessing, you enigma, you dream.

Estella, estella you, you're missing all you see, i'm missing y ou.

Estella, estella you dream, you're missing all you see, i'm mis sing you, my sweet.

Wide eyed, weak kneed, stare me through my soul, you pierce me nothing short of holding nothing back.

Come down to me and i'll show you, you mean worlds to me, you do.

Fare thee well my love, believe me when i say, i love you madle y, deeply, always.

Estella, estella you, you're missing all you see, i'm missing y ou.

Estella, estella you dream, you're missing all you see, i'm mis sing you.
