

## Sloppy Copy

Ace Troubleshooter

I'm just a sloppy copy  
That's all I'll ever be  
I'm just a sloppy copy  
Potter I want You to fill me

The more I do let down  
The more I cause to frown  
The more what can and do see  
Model and try to be

Must I be so blind?  
Must it be so hard to find my way?  
That is to say, "His way"
