

Welconme to the lust inside my sinfull mind  
I'll show you things you never thought could be real  
Remove you clothes and don't be afraid  
Soon extasy will flow throughout you naked body  
Lay on the ground upon the Baphomet  
Open your legs and feel the exctent of your desires  
I taste your treasures and you teate mine  
Now it's time for you to taste the pleasures of.....  
Satanic Erotica  
My rod is thrust asw your body starts to shake  
As the smell of incense fills the room  
The nectar I inject is a gift from Lucifer  
It gives me power to cast my spell
