

Koi ni Ochite

Acid Black Cherry

Moshimo negai ga kanau nara
Toiki o shiroi bara ni kaete
Aenai hi ni wa
Heyajuu ni kazarimashou
Anata o omoinagara
Darling, I want you
Aitakute
Tokimeki koi ni kakedashisou nano
Maigo no you ni tachisukumu
Watashi o sugi ni todoketakute

Daiyaru mawashite
Te o tometa
I'm just a woman fall in love

If my wishes can be true
Will you change my sighs
To roses, whiter roses
Decorate them for you
Thinking 'bout you every night
And find out where I am
I am not living in your heart

Darling, I need you
Dou shitemo
Kuchi ni dasenai negai ga aru no yo
Doyou no yoru to nichiyon no
Anata ga itsumo hoshii kara

Daiyaru mawashite
Te o tometa
I'm just a woman fall in love

Darling, you love me
Ima sugu ni
Anata no koe ga kikitaku naru no yo
Ryote de hoho o osaetemo
Tohou ni kureru yoru ga kirai

Daiyaru mawashite
Te o tometa
I'm just a woman fall in love

Don't you remember
When you were here
Without a-thinking
We were caught in fire
I've got a love song
But where it goes
Three loving hearts are
pulling a part of one

Can't stop you, can't hold you
Can't wait no more
I'm just a woman fall in love
