

Backyard Bandit

Acid Drinkers

I thought, that I wasn't right
Or I'm in example sucker
I had reason, reason to try
To win something
Gotta fight
Last pener, last pener around
I was nut, zero not a hero
Bandit like no one around
Breakin' every fuckin' rule
Backyard bandit, 100% fool
Pissin' in a throatth of truth
Running under cover
Sitting in a jaw of hate
Do you wanna be another
