

## Gain On Shit

### Acid Drinkers

There is no life  
In what you selling me  
There is no life

The love that you offer  
Is synthetic stuff  
Is synthetic stuff

I can't see any happiness  
In what you're dealing  
You can keep goin' for it  
You only gain on shit

Goin for it  
Gain on shit

There is no life  
In what you selling  
There is no life

The love that you offer  
Is synthetic stuff  
Is synthetic stuff

What you call truth  
Is just poisonous lies  
Stop telling me I need  
To be ideal man

Goin for it  
Gain on shit

There is no life  
Is synthetic stuff!
