

## I'm A Rocker

### Acid Drinkers

I've appeared without a reason  
Yeah, I came without an invitation  
I climbed into your heads with my dirty shoes  
And sick behavior  
I sit down aside your face  
And I grasp your most sensitive place  
And I don't care that you're calling the police  
Yeah, I'm the best customer of the gallows  
I'm the best customer of the gallows  
I'm a rocker, a real mothaf...er  
I'm a rocker  
I'm a rocker, a real mothaf...er  
I'm a rocker, a real mothaf...er  
I've arrived here without warning  
Cos I heard something just like calling  
And I'm insolent, nervous individual  
I'm property of the executioner  
I'm gonna lash your boorish conscience  
And I'm tenderly treading your hearts  
Oh, I don't care that you're calling the police  
Yeah, I'm the best customer of the gallows  
I'm the best customer of the gallows  
I'm a rocker I'm a rocker  
I'm a rocker, a real mothaf...er  
I'm a rocker  
I'm a rocker, a real mothaf...er  
I'm a rocker, a real mothaf...er
