

Kill the Gringo

Acid Drinkers

Run, run, flee! Just get away!!!
Pack your diamonds and your gold
Cross the Alps, we must be bold
Getting h9ot for real, this place
Bullets whiz and grenades bang
Gotta get 'em off our trail
They are comin', there's no time!!!
Head down the Genoa trail
Alois gonna use his knack
Pack the cash into the sack
Branko, Carlos - find 'em now!

Penejos, bandidos, kill the gringo,
Argentina!!

Penejos, bandidos, kill the gringo!!
Run, run, flee! Just get away!!!
Pack your diamonds and your gold
Cross the Alps, we must be bold
Mad dogs always sniff around
Our feet burn upon this ground
There ain't nothing for us here
Time to get out of this shit
Winnin' streak is very far
Hell awaits burnin' tar
Bodo is where they moor ships
Signals getting red
Cros the Pond - it's full ahead!!!

Penejos, bandidos, kill the gringo,
Argentina!!
Penejos, bandidos, kill the gringo!!

The dock has srowned
Bad luck - he's down
That nasty dock has drowned
Good luck - unung
Juan's cool - ain't no two ways!!
He will help us get to where
There is a place, good grub ain't rare
Though they'll try - cause we ain't square
They may never find us there
They may never wack us there

Penejos, bandidos, kill the gringo,
Argentina!!
