## Acid Drinkers

Disgusting...  
Disgusting individual...

Excuse me, please! Anything wrong?  
Oh yes, I happened after all  
Good thing I did - pressure was strong  
I had no say, I couldn't stall

If I had not just come to be  
Not a soul would have been touched  
If by some chance there was no me  
The world would not lose very much

The story is different with you  
Though like before, I had no say  
Your presence does pierce me right through  
Your influence is here to stay

If it had not been for me  
'You' would never be the same  
If you had not come to be  
'I' would have less guilt and shame

Disgusting...  
Disgusting...  
Disgusting...  
Disgusting...  
Disgusting individual...

Excuse me, please! Anything wrong?  
Oh yes, I happened after all  
Good thing I did - pressure was strong  
I had no say, I couldn't stall  
And if I happened somewhere else  
Where black wind's rage is like a peck  
Would I be in a better place?  
Believe the burden round my neck?

Disgusting...  
Disgusting...  
Disgusting...  
Disgusting...  
Disgusting individual...

If I had not just come to be  
Not a soul would have been touched  
If by some chance there was no me  
The world would not lose very much
