

What a goddamn s...ty luck
Mariusz and me in the same class
All the girls are pretty excited
His black snake is a real fighter
My friend is unusual
Heard he's got long, sticky fingers
You know, dirty tricks are his custom
Mariusz is colored differently
Am I wrong or right
I am black, he's white
I will think all night
He's changing Yahoo into horse
Everybody's angry, everyone is restless
What's your plan, little man
Where did you come from, my friend
Do you like it here?
You're acting pretty rude
What are you going to be?
I heard you're a regular find
Am I wrong or right
I am black, he's white
I will think all nite
