

My Caddish Promise

Acid Drinkers

I'd like to ask you to do something
You see, I hate any objections
So die, die for me
I require it, my se**** straggler
cremate yourself for me
It's easy for you, it's your heavy duty
Don't let me cry, don't let me cry
Do it with pretty smile

I will hate you tomorrow, just like I hate you today
it is my caddish promise

Hey,
Hey, think, you'll make me pleasure
It could be Xmas present
So, kill yourself for me
I really, really want it
Do it, do it, do it, do it, do it, to me do it
I demand your fuckin' dead body
I'm not an asshole
You can do it for me

I will hate you tomorrow, just like I hate you today
it is my caddish promise

I'll bring you the death to your home
I'll introduce her to your mother
I'll wear white suite, I'll come with a sack of shit
You got it??!!
