

She's Gonna Be A Porno Star

Acid Drinkers

Yes, she's gonna be famous
She's gonna be rich
She doesn't care about anything
She's just a kind of bitch
She will show you what she does
When she's home alone
She's gonna be a porno star
She'll buy herself a Golden John
She'll never get up before the noon
When she becomes a star
She'll never find the time
To talke to the likes of you
She will show you what she does
When she's home alone
She's gonna be a prono star
She'll buy herself a Golden John
I'm sorry, so sorry
I'm sorry for you
She's kind of a bitch, uuu!
