Wild Thing

Acid Drinkers

Wild thing, you make my heart sing You make a everything, groovy Wild thing

Wild thing I think I love ya But I want a know for sure Oh you move me Get ready honey, here I go

Wild thing, you make my heart sing You make a everything, groovy Wild thing

Wild thing I think I love ya But I want a know for sure Oh you move me Get ready honey, here I go

Wild thing, you make my heart sing You make a everything, groovy Wild thing

Wild thing, you make my heart sing You make a everything, groovy Wild thing
