

## Zero

### Acid Drinkers

You know who you are?! You are one big zero!  
Cry! You deserve it!

You can scream long and loud  
No-one wants to listen to your shouting  
Your cliché life story, son  
Makes me smile malevolently

Another brat wants to go back to mum,  
another human animal  
another human animal  
another human animal  
so someone cheated you, my sobbing hero  
you know who you are?! You are one big zero!  
you know who you are?! You are one big zero!  
You yourself didn't want it  
they could've beat you right away  
that was your other option  
but fate was unkind

Another brat wants to go back to mum,  
another human...  
Another brat wants to go back to mum,  
another human...
