

Zero

Acid Drinkers

You know who you are?! You are one big zero!
Cry! You deserve it!

You can scream long and loud
No-one wants to listen to your shouting
Your cliché life story, son
Makes me smile malevolently

Another brat wants to go back to mum,
another human animal
another human animal
another human animal
so someone cheated you, my sobbing hero
you know who you are?! You are one big zero!
you know who you are?! You are one big zero!
You yourself didn't want it
they could've beat you right away
that was your other option
but fate was unkind

Another brat wants to go back to mum,
another human...
Another brat wants to go back to mum,
another human...
