

Times

Acid House Kings

A thousand hands upon a rosy sky
Killing every flower beyond
The same way that you killed me
The same way that you killed me
Among the trees
Like dirt like dirt

But at times
Baby times
I think you're the most wonderful person
I've ever seen
Times
Baby times
I hate you

Times
Baby times
I think you're the most ugly person
I've ever seen
Times
Baby times
I love you

'Cause I hate it when you feel
I hate it when touch
Hate it when you think of me
Hate when you come
I hate it when you go
Hate it when you kiss the stars
On purpose
