Action Bronson

Do me a favor, with that, light the candle. Is that the Hawaiian Rayman?  
Aight I get the same one every single time, I don't understand this

At the piano with a glass of pino  
All red silk like I'm nino  
Custom made shit, I weight 140 kilos  
Sneeze on 100G's, hoes on their knees blow from Montego  
The way my hair look you swear my name was Rodrigo  
Lay low, if you can't do it then just say no  
If you ain't built to play this game then you get halo'd  
I put a lot of fiends in k-holes

Hello  
Hi  
What's up mama?  
I just watched \*boing\* perform  
How do you feel about it?  
They ain't you baby hahaha, you're better than all these shit heads

I'm just a bastard with a bad habit  
Bad back in a black Volkswagen Rabbit  
Shit I gotta have it  
Black magic woman put a spell on me  
Fuck around and win a spelling bee  
I could walk under ladders, still won the lotto  
Ten minutes flat, built a boat in a bottle  
Roy Rodgers baffle, sniffin' coke with a model  
Told her to Google me, shit I might paint the Cougar green  
All this lechuga in my jeans  
I still see Freddy Kruger in my dreams  
Ain't nothin' moving but the cream  
Shit, know I do it for team

I just wanna hear em announce your name, that's all I care about  
How's your knee?  
My knee is... It's not bad these past few days  
You been alright?

That's all I care about  
Took a meeting up at Paramount  
Typecast as a romantic lead  
I'm classically trained for drug dealing  
But I wasn't good at drug dealing  
So I flipped shit, rug, ceiling  
Dry water, five daughters all stood 5'4"  
Or got 5 quarters for the store

Fuck knows what I'm saying anymore mane, my mind is shot, been working so mo  
therfuckin' hard.  
So I'm bout to light this motherfuckin' dab up. Til the next time, peace
