Action Bronson

Awww yeah! We in the motherfuckin' place tonight!
Show's about to start guys, everybody get to your seats
Bronsolinio's comin' to the stage
Mmm, knew about the local things what they all talkin' about

Step in the door, Bronsolini, the mayor
The kush replayer, 80 footsy pussy gushy slayer
I'm a star and I'm a prove it
Saw me in the foreign car, shorty had a movement
Comin to your town, lockin' it down, rockin' it out
I'm on fire there's no stoppin' it now, it's tournament edition
Shorty on the arm annoint a man for fishin'
Brussels eatin' breakfast in the Orient for chicken, listen
Know my mother wanna see me win
Slide the crack inside the slot you put your CD in
Give a couple bucks, let me live, puff a dutch
Cause ain't no motherfucker playin' me in Suckerpunch
It's my time, no more standin' in line
Now it's time to eat, paired up with the rarest of wine
Hair red just like the meat, never careless with mine
Play your part and stay sharp daddy, cherish your crime

Aiyyo, you couldn't wait to hear this fly shit
Shorty open up your thighs quick, smoke the pussy like a Thai s
tick
My style is lovin' in the island by Dubai dick
I leave my stash right on the floor cause this is my shit
Intoxicatin' aroma, drugs rolled a diploma
Beautiful wine, we in Sonoma yo
The cheese plate, fish a pike out the lake
Take a dyke on a date, she let me bite cause I'm an ape
White limey, maneuver at night, fuck assumption
Bronsolin' bring the truth to the light, that we the best
And ain't no motherfucker tellin' me different
Most talent and I practice, ain't no shock that I'm winnin'
Double A all in it
Known for sinnin' in cinnamon women in ten directions
Cinderella pendants, the love flow tremendous
All I got is myself so fuck a co-defendant
Struck ass stripper, she tried to play me yo the whore's dement
