

Hanging On

Active Child

You know we can't get away
Because I'm calling your name
Every day I feel this pain
But you just turn and walk away

I just can't keep hanging on
To you and me
I just don't know what is wrong
With you and me

Touch me and then turn away
Put your hands into the flame
Tell me if you feel this pain
'cause I don't want to be your ball and chain

I just can't keep hanging on
To you and me
I just don't know what is wrong
With you and me
With you and me

Me
Oh oh
Me
Pain

I just can't keep hanging on
To you and me
I just don't know what is wrong

I just can't keep hanging on
To you and me
I just don't know what what is wrong

I just can't keep hanging on
To you and me
