

I messed around with your silly mind
I poked around in your knee deep philosophy
So I made your mama cum, and I stole your shoes
I ate your porridge kid, I ate your porridge
what do you mean, pride
What do you mean, hide?
Neither you nor I can die (unless we want!)
whiskey dick in a shanty town
Beaver snake in my Snord Gruebens underwear
Polio kids for me!
Yer talkin crap Merrick, yer talkin crap MERRICK!
How you like me now?
Neither you nor I can die (unless we want)
