

Don't Be Square (Be There)

Adam and the Ants

Music for a future age
Don't be square be there
All good clean fun
Whatever that means

Antmusic for sexpeople
Sexmusic for antpeople
Get off your knees
And hear the insect prayer

The brain will suffer
So ride hard, ride clean
How reputations scare
And love goes to war
Whatever that means

Antmusic for sexpeople
Sexmusic for antpeople
Get off your knees
And hear the insect prayer

Dirk wears white socks
Dirk wears white socks
Dirk wears white socks

Antmusic for sexpeople
Sexmusic for antpeople

And we got it like this
And we got like that

Antmusic for sexpeople
Sexmusic for antpeople
Antmusic for sexpeople now

You may not like it now but you will
You may not like it now but you will
You may not like it now but you will
You may not like it now but you will

Music for a future age
Don't be square be there
All good clean fun
Whatever that means

Antmusic for sexpeople
Sexmusic for antpeople
Get off your knees
And hear the insect prayer

Dirk wears white socks
Dirk wears white socks
Dirk wears white socks

Antmusic for sexpeople
Sexmusic for antpeople

You may not like it now but you will
You may not like it now but you will
The future will not stand still

Antmusic for sexpeople
Sexmusic for antpeople

You may not like it now but you will
You may not like it now but you will
The future will not stand still

Antmusic for sexpeople
Sexmusic for antpeople

You may not like it now but you will
You may not like it now but you will
The future will not stand still

Antmusic for sexpeople
Sexmusic for antpeople

You may not like it now but you will
