

## Friend or Foe

Adam and the Ants

Keep your philosophy  
Take it up or leave it  
It doesn't apply to me  
I'm not gonna change a bit  
If it means heartache  
then leave it out for your sake  
I tried and I try tried  
to take care of my insides  
Nobody's perfect so leave me if you object

I want those who get to know me  
to become admirers or my enemies

When you're a pirouetting, highkicking  
thighslapping cruiser  
When you're a hipgrinding spellbinding  
clean cut seducer  
You have to be careful so people take note  
I take it serious, but I still like a joke

I want those who get to know me  
to become admirers or my enemies

Take it up or leave it  
I'm not gonna change a bit  
If it means heartache  
then leave it out for your sake  
I tried and I try tried  
but still you say that I lied  
Nobody's perfect so leave me if you object

Keep your philosophy  
it doesn't apply to me  
If it means heartache  
then leave it out for your sake, your sake  
I tried and I try tried  
But still you say that I lied  
Nobody's perfect so leave me if you object
