

Here Comes the Grump

Adam and the Ants

When you get a number one
The only way is down
And if you have a sticky patch
They start looking, start looking around

Listen close to what men say
Take what you want
And throw the rest away

When you get a number one
The only way is down
And if you have a sticky patch
They start looking, start looking around

In the night when things go bump
Think of me think
Here comes the grump, here comes the grump

Doctors said "Adam, sex kills"
So come inside and die
