

## Razor Keen

Adam and the Ants

Well it's a dopey mopey  
Doop-de-boop civilian time  
It's all mine  
And it's a dopey mopey  
Doop-de-boop civilian time  
It's all mine  
Crinkum crankum  
Turn them up and spank thems fine  
Razor keen and good again  
Schemes, if you know what I mean  
Things are looking good again  
Razor keen good again  
Gonna take a hatchet to 'em  
Hack my way in.  
Centre and stop, pan right and stop  
Centre and stop, pull back and stop  
A new murder squad  
Off kick murder squad  
Kick kick murder squad  
Hack my way in.
