Rough Stuff

Adam and the Ants

Down in the jungle Feeling very fat You better hit the floor And give me twenty And the girls sing

Shackshoowowboomlaggalagga
Boom lagga boom sha boom
Do it 'til you're sore
Shackshoowowboomlaggalagga
Boom lagga boom sha boom
I know what you're looking for

Heavens where you find it
So sit back and relax
I wouldn't be so sure
'Cause we need plenty
And the girls sing girls sing

Shackshoowowboomlaggalagga
Boom lagga boom sha boom
Do it til you're sore
Shackshoowowboomlaggalagga
Boom lagga boom sha boom
I know what you're looking for

Rough stuff when a man's got to do What a man's got to do What a man's got to do oh yeah Rough stuff when the time is right And the place you go to whale You gotta put something down

How far can you get
And still come back alive?
You never hear the shot
The shot that gets you
And the girls sing girls sing
