S.E.X.

Adam and the Ants

And when summer gets to me And sets the sex on fire My body is an ocean Of twisted white debris

And when summer gets to me And sets the heart in motion A pain that hides in my insides Is suddenly set free

And sex is sex forget the rest The only one that's free The only great adventure left To humankind, that's you and me

And when summer gets to me And tries to make me tired I'm living every minute And dying every three

And sex is sex forget the rest The only one that's free The only great adventure left To humankind, that's you and me

Let all the braggers brag
