

Wonderful

Adam and the Ants

Did I tell you how much I miss your sweet kiss?
Did I tell you I didn't cry?
Well, I lied, I lie, lie, lie, lie, lie, lied.

Over, real over, when I nearly hit the face I loved.
I'm so tired of packaging the anger, always pushing you away.
Did I tell you you're wonderful?
I miss you, yes, I do.
Did I tell you that I was wrong?
I was wrong, 'cos you're wonderful, yeah.

Did I tell you how much I miss your smile?
Did I tell you I was okay?
Well, no way, now way, way way.

Over, real over, when I nearly hit the face I loved.
I'm so tired of packaging the anger, always pushing you away.
Did I tell you you're wonderful?
I miss you, yes, I do.
Did I tell you that I was wrong?
I was wrong, 'cos you're wonderful, yeah, heay.

Now, now, now, each and ev'ry day, I realize the price I have to pay.
You, you're wonderful.
So high, I can't get over it.
So deep, I can't get under it.
You, hoo, you're wonderful. yeah.
You're wonderful, yeah, yeah.
You're wonderful, yeah, yeah.
You're wonderful, yeah, yeah, wonderful.

Did I tell you you're wonderful?
I miss you, yes, I do.
Did I tell you that I was wrong?
I was wrong for so long, long, long.

Did I tell you you're wonderful?
I miss you, yes, I do.
Did I tell you that I was wrong?
I was wrong for so long, long, long.

Did I tell you you're wonderful?
I miss you, yes, I do.
Did I tell you that I was wrong?
I was wrong
for so long, long, long.
